Weipa Fest

21 - 23 May 2010, Evans Landing, Weipa

Weipa Fest - Land And Sea, You and Me

Thousands of tourists around Australia will enjoy experiencing traditional Indigenous and cross cultural performing and visual art in this traditional setting with sound, light and theatre facilities. The Weipa festival will provide just that. Organised by the Malaruch Alngith Corporation Ltd, this festival promises to be an event not to be missed!

Weipa

Weipa is a vibrant community which is the cultural and economic capital of Cape York, North Australia. Rich with many cultures, Weipa is a magnet for tourists with its outstanding natural beauty and amazing variety of things to do, including world class fishing. The Alngith community, traditional owners of Weipa, are seeking to revive their traditions and culture through song, dance and art at this innovative celebration.

During the month of May beautiful Evans Landing by the ocean will be set up for a three-day celebration of tradition, culture, nature, food, fun and arts. The festival will stage some of the most exciting dance groups from the entire region. Dance groups from across the country will be attracted to this cultural showcase.

Traditional Aboriginal Foods

Food will be another major attraction. The traditional Kap Murri, cultural and international food facilities at the Weipa Cultural Hub will be prepared for the festival to feed hundreds of locals and visitors alike.

This event is supported by the Weipa Township Authority and proudly presented by Malaruch Alngith Corporation Ltd
